Foreign languages

- French (bilingual)
- English (working knowledge)
- Spanish (basic)

In few words...

I am a French Ruby Developer who daily seeks to progress and actively pursue knowledge and personal Growth. My pragmatism is my greatest strength.

As a Bépo user (French layout keyboard like Dvorak) and Vim user, I like to think differently and use new paradigms to make my daily work easier.

My motto: "Never regret anything."

Programming

- Ruby on Rails ★★★★★
- Ruby ★★★★★
- Crystal ★★★☆☆
